

Announcement

NCI have acquired 40% of EFCIS.

EFCIS Limited are pleased to announce a partnership with specialist Trade Credit Insurance broker, National Credit Insurance (Brokers) Pty Ltd (NCI).

Andy Moylan continues as the Managing Director and has the controlling interest of EFCIS Limited.

EFCIS Limited has strived to pioneer a unique position as a specialist credit insurance broker in the UK market. Their tenacious culture and focus on elite client service has become well renowned.

The mindset and outlook of NCI and EFCIS are extremely aligned, both focusing on developing new business in our respective markets and backing this up with exceptional product offerings and service to clients. This philosophy made our two businesses a natural fit in partnering together for the future.

EFCIS Bexley, managed by Danielle Cousins, continues as a major aligned partner and Authorised Representative of EFCIS Limited.

We look forward to working with our staff, clients and valued partners and continuing exceptional broking and service to the trade credit insurance industry.

We are excited about developing new opportunities for businesses with both domestic and global interests. We plan to work together to educate the market about the real tangible benefits of Trade Credit Insurance, which includes protecting profit, enabling increased growth and payment certainty.

Yours sincerely

NCI is a leading specialist Trade Credit Insurance broker, with offices in Australia, New Zealand, Singapore and Malaysia. NCI was founded in 1985 and has since grown to over 200 staff with a range of Trade Credit Solutions to support our 3,500+ clients. NCI are majority owned by Steadfast Group Limited.
